

BEST FRIENDS

If you were a soldier and I were your enemy
I wouldn't fight you
If you were a deer and I were a lion
I wouldn't bite you

If you were a fish and I were a net
I wouldn't catch you
If you were a bone and I were a dog
I wouldn't snatch you

If you were a fly and I were a swatter
I wouldn't kill you
If you were water and I were a carrier
I wouldn't spill you

If you were a cup I'd be a saucer
And let you rest on me
And we will be best friends from now
Until eternity.
